Billetproof® Clutch Cover

Triumph TF250-X

Congratulations, you have just purchased the finest clutch cover available. All Hinson Clutch Components are manufactured from T-6 aircraft aluminum with tolerances to aircraft specifications. Used by Team Honda, Team Red Bull KTM, and you can count on all our parts being race and championship proven.

Instructions:

1. Remove stock clutch cover.
2. Inspect the O-ring and re-install with your new Hinson clutch cover.
3. Install your new Hinson clutch cover exactly as you removed your old cover.

For the best performance and life from your clutch assembly, we recommend you install new Hinson clutch plates. Also, we recommend using a petroleum based 10w-40 Racing Engine Oil and that you change your oil after each time you ride. We recommend you soak your clutch plates in oil before you install them. Do not use Kevlar or Carbon Fiber clutch plates as they will cause excessive wear and may void your warranty.

Thank you for purchasing a Hinson Clutch Components product. If you have any questions or need technical assistance, please call us at (909) 946-2942, Monday through Friday between the hours of 7:30AM-4:30PM Pacific Standard Time or check us out at www.hinsonracing.com.
