YAMAHA FIBER & STEEL CLUTCH PLATES

Congratulations, you have just purchased the finest fiber clutch plates available. Hinson Clutch Components are used by Team KTM, Team Honda, Team Suzuki, and Team Pro Circuit.

Instructions:

1. Remove friction plates from packaging and soak in oil for 12 hours
2. Drain engine oil
3. Remove clutch cover and gasket
4. Remove spring bolts, retainer and spring
5. Remove pressure plate and spring seat
6. Remove drive collars and old clutch pack
7. Install your thinner 1mm outer steel plate onto the oem drive collars
8. Install (1) Hinson outer fiber (See picture below of Hinson outer fiber) then your thicker steel plate and one more of the outer fibers. Then install one thick 1.6mm steel plate and alternate 4 of the Hinson inner fibers (See picture below of inner fiber type) with the thicker steel plates 1.6mm. Then use the final two outer friction plates and 1.6mm steels to finish off the pack
9. Install (1) last thin outer 1mm steel plate
10. Re-install pressure plate and all other stock components.
11. Reinstall clutch cover being sure to inspect the gasket before reusing.
12. Refill bike with oil

(**OUTER FIBER** LIGHTER COLOR FRICTION MATERIAL)

(**INNER FIBER** DARKER COLOR FRICTION MATERIAL)

For the best performance and life from your clutch pack, we recommend you use
Hinson Inner hub, pressure plate, clutch cover, a petroleum based 10w-40 weight engine oil and that you change your oil after each time you ride.

Thank you for purchasing a Hinson Clutch Components product. If you have any questions or need technical assistance, please call us at (909) 946-2942 or check us out at www.hinsonracing.com.

Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. You must register your product at www.hinsonracing.com to activate your warranty. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.

Thank you very much for purchasing a Hinson Clutch Component!
