YAMAHA YZ125 FIBER CLUTCH PLATES

Congratulations, you have just purchased the finest fiber clutch plates available. Hinson Clutch Components are used by Team Honda, Team Suzuki, Team Pro Circuit Kawasaki, and Team Yamaha of Troy

Crucial Inspection

If your clutch has a jutter spring and seat ring, located at the bottom of your clutch pack against the inner hub, these need to be removed

Instructions:

1. Remove clutch plates from packaging and soak in oil for 12 hours.
2. Separate plates into (1) narrow surface fiber plate and (7) wide surface fiber plates.
3. Install (7) steel plates, alternating with (7) wide surface plates.
4. Install (1) narrow surface plate last
5. Re-install pressure plate and all other stock components

Also available for this model:

- H071 inner hub
- H070 pressure plate
- H053 clutch basket

For the best performance and life from your clutch assembly, we recommend you install new OEM clutch plates, Petroleum based 80w-80 Racing Transmission Oil , and that you change your oil after each time you ride. We recommend you soak your clutch plates in oil before you install them.

Thank you for purchasing a Hinson Clutch Components product. If you have any questions or need technical assistance, please call us at (909) 946-2942 or check us out at www.hinsonracing.com

Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. You must register your product at www.hinsonracing.com to activate your warranty. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.

Important! Warranty registration

Products must be registered in order to be eligible for warranty. Please log onto www.hinsonracing.com to activate your warranty registration. You will need to make note of your serial number, the small 8 digit number 180 degrees from Hinson Clutch Components on your part, as you cannot register your product without it.

Thank you very much for purchasing a Hinson Clutch Component!
