2004-2012 KX250F INNER HUB/ PRESSURE PLATE KIT-WORKS

Congratulations, you have just purchased the finest inner hub & pressure plate available. Manufactured from T-6 aircraft aluminum with tolerances to aircraft specifications and akadized for improved durability. Used by Team Honda, Team Suzuki, and Team Pro Circuit Kawasaki, these are the same components in Ryan Villapoto, Trey Canard, and Chad Reed's race bikes.

Instructions:

1. Remove stock pressure plate and inner hub from engine
2. You will not reuse the jetter spring with your new Hinson inner hub.
3. Re-install new Hinson Clutch Components inner hub and pressure plate.
4. Make sure to line up the marks on the pressure plate with those on the crown of the inner hub to insure the pressure plate fully engages with the inner hub.

For the best performance and life of your clutch assembly, we recommend you use Hinson clutch plates, Use petroleum based 80 weight transmission oil and that you change your oil after each time you ride. We recommend you soak your clutch plates , in oil, before you install them. Use of Kevlar and Carbon Fiber clutch plates will cause excessive wear and may void your warranty .

Also available for this model:

- FSC357-8-001

Thank you for purchasing Hinson Clutch Components. If you have any questions or need technical assistance, please call us at (909) 946-2942 or check us out at WWW.HINSONRACING.COM

Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. You must register your product at www.hinsonracing.com to activate your warranty. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.

Important! Warranty registration

Products must be registered in order to be eligible for warranty. Please log onto www.hinsonracing.com to activate your warranty registration. You will need to make note of your serial number, the small 8 digit number 180 degrees from Hinson Clutch Components on your part, as you cannot register your product without it.

Thank you very much for purchasing a Hinson Clutch Component!
