INNER HUB

Congratulations, you have just purchased the finest inner hub available. Manufactured from T-6 aircraft aluminum with tolerances to aircraft specifications and akadized for improved durability.

Instructions:

1. Remove stock spring retainer & spring, pressure plate, clutch pack, drive pins, and inner hub from engine
2. Install Hinson inner hub, lock washer, and nut. Tighten nut to manufactures specification then bend over lock tab
3. Re-Install fiber clutch plates and steel clutch plates and stock pins. Be sure to start and end with the thin 1mm steel plate
4. Install stock pressure plate with the spring seat with proper side up (has up stamped on face), spring and retainer and tighten bolts to manufactures specification
5. Reinstall cover inspecting o ring first for any damage

For the best performance and life of your clutch assembly, we recommend you use OEM clutch plates, and that you use a petroleum-based oil and that you change your oil after each time you ride. We recommend you soak your clutch plates, in oil, before you install them. Use of Kevlar and Carbon Fiber clutch plates will cause excessive wear and may void your warranty.

Thank you for purchasing a Hinson Clutch Component. If you have any questions or need technical assistance, please call us at (909) 946-2942 or check us out at WWW.HINSONRACING.COM

Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective, we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.

Thank you very much for purchasing a Hinson Clutch Component!
