YAMAHA YZ250F FIBER CLUTCH PLATES

Congratulations, you have just purchased the finest fiber plates available. Hinson Clutch components are used by Team Honda, Team Red Bull KTM, Team Kawasaki

Crucial Inspection

If your clutch has a spring cushion, located at towards bottom of your clutch pack this **needs to be removed**

Instructions:

1. Remove clutch plates from packaging and soak in oil for 12 hours.
2. Separate plates into (1) wide pad blue ear surface fiber plate and (8) narrow pad surface fiber plates.
3. Install (8) steel plates, alternating with (8) narrow pad surface plates.
4. Install (1) **blue ear** surface plate so it touches the pressure plate.(if done in improper order clutch will not function properly)
5. Re-install pressure plate and all other stock components.

We recommend using mineral based oil in your transmission, and that you change it after each time you ride. For the best performance and life from your clutch assembly, we recommend you use these plates in conjunction with a Hinson clutch steels and springs as well as our full line of aluminum products

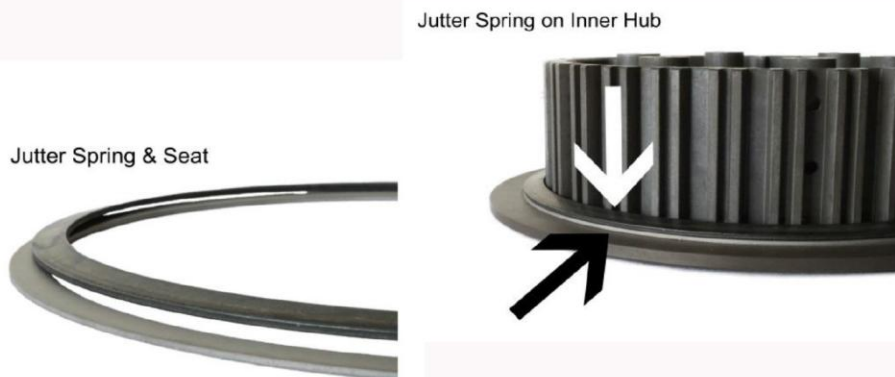

Visit **HINSONRACING.COM** for a full list of the products for this bike

Thank you for purchasing a Hinson Racing product. If you have any questions or need technical assistance, please call us at (909) 946-2942.

Crucial Inspection

If your clutch has a jutter spring and seat located at the bottom of your clutch pack against the inner hub, **these both need to be removed.**

Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. You must register your product at www.hinsonracing.com to activate your warranty. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.

Thank you very much for purchasing a Hinson Clutch Component!
