RM250 FIBER CLUTCH PLATE KIT

Congratulations, you have just purchased the finest fiber clutch plates available. Hinson Clutch Components are used by Team Honda, Team KTM, and Team Pro Circuit Kawasaki.

Instructions:

1. Remove clutch plates from packaging and soak in oil for 12 hours
2. Separate plates fiber and steel plates
3. Install (1) fiber plate
4. Install (7) steel plates, alternating with the fiber plates
5. End with last fiber plate
6. Re-install pressure plate and all other stock components.

We recommend a petroleum based transmission engine racing oil, and that you change it after each time you ride. Also we recommend soaking your clutch plates in oil before you install them.

Thank you for purchasing a Hinson Clutch Components product. If you have any questions or need technical assistance, please call us at (909) 946-2942 or check us out at

Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective, we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.

Thank you very much for purchasing a Hinson Clutch Component!
