Congratulations, you have just purchased the finest fiber, steel and spring clutch pack available. Hinson Clutch Components are used by Team Honda, Team KTM and Team Pro Circuit Kawasaki.

Crucial Inspection

If your clutch has a jutter spring and seat ring, located at the bottom of your inner hub, this needs to be removed

Instructions:

1. Remove clutch plates and springs from packaging.
2. Separate the black marked plates (quantity 2)
3. Install (1) of the plates marked black.
4. Install (7) steel plates, alternating with (6) fiber plates.
5. Install (1) black marked plate.
6. Install the provided 1mm top hat washer on to the top hat making a total of two washers stacked together for a total of 2mm (* **Note failure to install the additional 1mm Hinson top hat washer will result in the lever adjustment not being correct and can result in damage to the new clutch pack**)
7. Re-install pressure plate, your new Hinson springs and all other stock components.

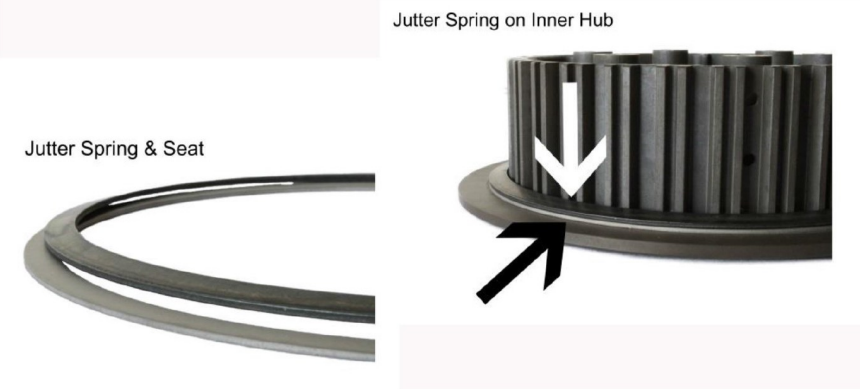

We recommend using a petroleum based 80wt oil in your engine, and that you change it after each time you ride. We also recommend you soak your clutch plates at least 12 hours before you install them.

Thank you for purchasing a Hinson Clutch Components product. If you have any questions or need technical assistance, please call us at (909) 946-2942,

Crucial Inspection

If your clutch has a jutter spring and seat located at the bottom of your clutch pack against the inner hub, **these both need to be removed.**

Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. You must register your product at www.hinsonracing.com to activate your warranty. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.

Thank you very much for purchasing a Hinson Clutch Component!
