FSC Clutch Plate & Spring Kit Kawasaki KX85 / KX100

Congratulations, you have just purchased the finest fiber, steel and spring clutch pack available. Hinson Clutch Components are used by Team Honda, Team Suzuki and Team Pro Circuit Kawasaki.

Crucial Inspection

If your clutch has a judder spring and seat ring located at the bottom of your inner hub, these need to be removed.

Instructions:

1. Drain engine oil and remove clutch cable.
2. Remove cover assembly paying attention to the two steel dowel pins and gasket.
3. Remove the four clutch springs, bolts and pressure plate.
4. Remove used fiber and steel plates.
5. Reinstall Hinson fiber and steel plates starting and ending with a fiber plate while alternating with steel plates.
6. Reinstall pressure plate and Hinson springs torquing bolts to manufacture's specification.
7. Reinstall cover being sure that the actuator properly engages the pressure plate.
8. Reinstall clutch cable.
9. Refill with engine oil to manufacture's specification.
10. Adjust your free play to 1/8 - 1/4."

We recommend petroleum 80wt racing transmission oil, and that you change it after each time you ride. Also, we recommend soaking your clutch plates in oil the same type of oil before you install them.

Thank you for purchasing a Hinson Clutch Components product. If you have any questions or need technical assistance, please call us at (909) 946-2942, Monday through Friday between the hours of 7:00AM-4:00PM Pacific Standard Time or check us out at www.hinsonracing.com.

Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.

Thank you very much for purchasing a Hinson Clutch Component!
