### YAMAHA YZ250F WR250F Fibers, Steels and Springs

Congratulations, you have just purchased the finest fiber, steel and spring clutch pack available. Hinson Clutch Components are used by Team Honda, Team Suzuki and Team Pro Circuit Kawasaki.

#### Crucial Inspection

If your clutch has a jutter spring and seat ring, located at the bottom of your inner hub, this needs to be removed.

#### Instructions:

1. Remove clutch cover.
2. Remove spring bolts, springs, and pressure plate.
3. Remove clutch plates, judder spring, and judder spring seat, which you will not reuse.
4. Remove Hinson clutch plates and springs from package .
5. We also recommend you soak your clutch plates before you install them
6. Separate fiber plates into (8) wide surface plates and (1) narrow surface plate.
7. Install (8) wide surface plates, alternating with (8) steel plates.
8. Install the (1) narrow plate last. Note: this will be against the pressure plate.
9. Re-install pressure plate, your new Hinson clutch springs, and all other stock components.

We recommend using a petroleum based 10w-40 oil in your engine and that you change it after each time you ride. We also recommend you soak your clutch plates in the same type of oil for 12 hours before you install them.

#### Crucial Inspection

If your clutch has a jutter spring and seat located at the bottom of your clutch pack against the inner hub, **these both need to be removed.**

#### Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. You must register your product at [www.hinsonracing.com](http://www.hinsonracing.com) to activate your warranty. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.

Thank you very much for purchasing a Hinson Clutch Component!
