FSC Clutch Plate & Spring Kit Yamaha YFZ450R 2014-2020

Congratulations, you have just purchased the finest fiber, steel and spring clutch pack available. Hinson Clutch Components are used by Team Honda, Team Suzuki and Team Pro Circuit Kawasaki.

Instructions:

1. Remove clutch plates and springs from packaging and keep the two narrow fibers and one different steel separate as these 3 pieces will be installed last.
2. Drain engine oil
3. Remove the cover and spring retainer plate and 3 bolts
4. Remove the used clutch stack and the jutter spring and seat
5. Install (1) of the full width plates marked one black ear
6. Install (6) steel plates, alternating with (5) full width fiber plates marked with one black ear
7. Install (1) narrow width fiber plate and the one different steel plate then install the last narrow width fiber
8. Re-install pressure plate being sure it engages with the one outer most steel plate
9. Install the new Hinson springs and the stock spring retainer plate and bolts torquing to your manufactures specifications
10. Reinstall the cover and gasket and two dowels being sure to inspect the gasket before re-using
11. Refill with engine oil

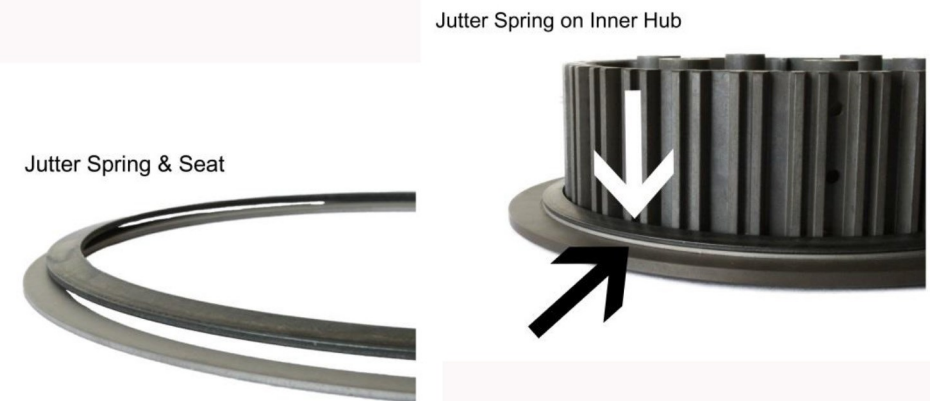

We recommend petroleum 10w-40 Racing Oil, and that you change it after each time you ride. Also we recommend soaking your clutch plates in oil before you install them.

Thank you for purchasing a Hinson Clutch Components product. If you have any questions or need technical assistance, please call us at (909) 946-2942, Monday through Friday between the hours of 7:00AM-4:00PM Pacific Standard Time or check us out at www.hinsonracing.com.

CRUCIAL INSPECTION

If your clutch has a jutter spring and seat located at the bottom of your clutch pack against the inner hub, **these both need to be removed.**

Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. You must register your product at www.hinsonracing.com to activate your warranty. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.
