2010-2015 CRF250R INNER HUB

Congratulations, you have just purchased the finest inner hub available. Manufactured from T-6 aircraft aluminum with tolerances to aircraft specs and akadized for improved durability. Used by Team Honda, Team Suzuki, and Team Pro Circuit Kawasaki. These are the same components in Ryan Villapoto, and Chad Reed's race bikes.

SPECIAL NOTE: If your clutch comes with a jetter spring and seat. You will not reuse them with your new Hinson inner hub

Instructions:

1. Remove stock inner hub from clutch assembly.
2. Re-install Hinson Clutch Components inner hub using all other stock parts.

For the best performance and life from your clutch assembly, we recommend you install new Hinson clutch plates. We also recommend using a petroleum based oil with your new inner hub and that you change it after each time you ride. We also recommend you soak your clutch plates before you install them. Use of Kevlar or Carbon fiber clutch plates will cause excessive wear and could void your warranty.

Also available for this model:

- AP094 Akadized aluminum clutch plates (set of 7)
- SP129-7 Steel clutch Plates
- FP094 Fiber clutch plates (set of 8)

Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. You must register your product at www.hinsonracing.com to activate your warranty. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.

Important! Warranty registration

Products must be registered in order to be eligible for warranty. Please log onto www.hinsonracing.com to activate your warranty registration. You will need to make note of your serial number, the small 8 digit number 180 degrees from Hinson Clutch Components on your part, as you cannot register your product without it.

Thank you very much for purchasing a Hinson Clutch Component!
