1986-89 HONDA TRX250R, 85-87 ATC250R **PRESSURE PLATE**

***Hinson Pressure plate must be used in 1985-1988 models with Honda update kit, Honda Part No. 06220-HB9-305 if not already installed**

Congratulations, you have just purchased the finest pressure plate available. Manufactured from T-6 aircraft aluminum with tolerances to aircraft specifications and anodized for improved durability. These are the same parts used by Team Honda, Team Suzuki, and Team Pro Circuit Kawasaki.

Instructions:

1. Drain oil and coolant
2. Remove primary cover
3. Remove clutch springs and bolts
4. Your stock spring bolts will not be reused
5. Remove stock pressure plate from clutch assembly.
6. Re-install Hinson Clutch Components pressure plate (if a 86-88 model the Honda update kit 06220-hb9-305 will have to be used to ensure proper operation)
7. Install clutch springs and Hinson bolts (*Note Hinson provided bolts must be used or damage can occur)
8. Install new primary cover gasket and primary cover
9. Refill with oil and coolant
10. Set your free play to have 1/8 to a 1/4 at the lever

Also available for this model:

- H130 Clutch Basket
- HC130-8602

For the best performance and life of your clutch assembly, we recommend you use Hinson clutch plates, a petroleum based oil and that you change your oil after each time you ride. We recommend you soak your clutch plates , in oil,

before you install them. Use of Kevlar and Carbon Fiber clutch plates will cause excessive wear and may void your warranty .

Thank you for purchasing a Hinson Clutch Components product. If you have any questions or need technical assistance, please call us at (909) 946-2942 or check us out at www.hinsonracing.com

Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. You must register your product at www.hinsonracing.com to activate your warranty. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.

Thank you very much for purchasing a Hinson Clutch Component!
