H616-PP-2301 **PRESSURE PLATE**

Congratulations, you have just purchased the finest inner hub & pressure plate available. Manufactured from T-6 aircraft aluminum with tolerances to aircraft specifications and anodized for improved durability. Used by Team Honda, Team Red Bull Ktm, GasGas Factory racing and Team Pro Circuit Kawasaki.

Instructions:

1. Remove 6 stock pressure plate bolts and washers, pressure ring, spring, spring housing seat (**this will stick to the oem pressure plate make sure to remove and install in your new Hinson pressure plate. Failure to do so will cause damage and change the clamping pressure*), & pressure plate
2. Install Hinson pressure plate, spring housing seat (pictured below), spring, pressure ring, and pressure plate bolts & washers and tighten to manufactures specification being sure to keep the spring as centered as possible.
3. Reinstall clutch cover being sure to inspect gasket before reinstalling.

***Spring seat must be installed in new Hinson pressure plate.**

For the best performance and life of your clutch assembly, we recommend you use OEM style clutch plates, and that you use a petroleum based oil and that you change your oil after each time you ride. We recommend you soak your clutch plates in oil before you install them. Use of Kevlar and Carbon Fiber clutch plates will cause excessive wear and may void your warranty.

Thank you for purchasing a Hinson Clutch Component. If you have any questions or need technical assistance, please call us at (909) 946-2942 or check us out at WWW.HINSONRACING.COM

Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.

Thank you very much for purchasing a Hinson Clutch Component!
