### **SP313-7-1401**

Congratulations, you have just purchased the finest steel plates available.

Instructions:

1. Drain the engine oil
2. Remove cover, spring retainer, and 3 bolts and springs
3. Remove pressure plate and used steel plates and fibers.
4. Separate the one new Hinson different steel plate, this will be used last
5. Install a friction plate then alternate with Hinson steel plates and your fibers. The last Hinson steel plate will be surrounded by two narrow i.d. friction plates. These two fibers and the one special Hinson steel plate must be installed last to insure the proper engagement of the pressure plate to the inner hub.
6. Reinstall pressure plate, springs and all the stock hardware. Tighten to manufacturer's specification.
7. Reinstall clutch cover being sure to inspect the gasket for wear before reinstalling.
8. Refill engine oil.
9. Readjust free play to 1/8-1/4" of free play.

Visit [HinsonRacing.com](http://HinsonRacing.com) for more products available for this model.

For the best performance and life from your clutch pack, we recommend you use Hinson clutch basket, inner hub, pressure plate, clutch cover, a petroleum based 10w-40 Racing Oil, and that you change your oil after each time you ride.

Thank you for purchasing a Hinson Clutch Components product. If you have any questions or need technical assistance, please call us at (909) 946-2942 or check us out at [www.hinsonracing.com](http://www.hinsonracing.com)

## Warranty information

All merchandise manufactured by Hinson Clutch Components is guaranteed against defects in material and workmanship for a period of six months from the original date of purchase. Use of Kevlar and carbon fiber clutch plates will cause excessive wear and will void your warranty. Hinson Clutch Components will not warranty any product that has been modified, or where the product became defective due to improper installation, improper use, or any other misuse of the product. Hinson Clutch Components shall not be liable for any other damages caused by any defects in the product, whether incidental, consequential or otherwise. If your product is defective we will, at our discretion, repair or replace the product after it is returned to Hinson Clutch Components for a warranty inspection. Any request for warranty assistance will require your original receipt or acceptable proof of purchase. Hinson Clutch Components liability is limited to the cost of repair or replacement of the product. All warranty items will be viewed and acted upon at the discretion of Hinson Clutch Components.

Thank you very much for purchasing a Hinson Clutch Component!
